GIANT PRODUCE -basics-

WHY AVOCADO?

- Sure, they're on trend and look great on Instagram. But the REAL benefits of avocados just might guac your world.
- Avocados contain unsaturated fats, commonly referred to as 'good fats', and plant sterols, which may help maintain healthy cholesterol levels.
- Their mild flavor and creamy texture makes them a versatile addition to everything from salads to sandwiches to dessert. Get started with the recipes below.
