We require the customer to present a local competitor's ad in order to receive double the difference in price with purchase. We will offer double the difference when the competitor's price is offered in the same unit type (i.e., price per pound) as our ad, the item is the same brand & size or quantity as our ad, the competitor's price is valid during the same time frame as our ad, and the competitor's price is in-keep. We do not honor competitor's coupons, internet pricing or misprinted ad prices. We also do not provide double the difference on ads where no actual price is listed or the ad requires a minimum purchase requirement, percentage off, buy one get one free, limited time only sales (1, 2 or 3 day) or "blowout" sale prices. See stores for more details.
