**Food for Thought Earth Day 2020** Let's do our part. Reduce. Reuse. Recycle.

ShopRite stores are energy efficient! Most of our ShopRite stores have "made the switch" to energy efficient lighting. Our stores are placing more and more refrigerated products behind closed doors. These efforts, and many more, significantly reduce environmental impact and energy cost! For more information, visit [shoprite.com/sustainability](http://shoprite.com/sustainability).
